APRIL 2007 BLUES-LETTER

Hey all you blues fans--

Well, here we are again, on to another month of Spring, and as always we have some terrific acts coming your way!

To start the month on the right track April 6 & 7, **Uncle Bo's** is proud to welcome **The Johnny O Band** back to our stage. After their long journey from Boulder, Co. they will be ready to rock the house with their extraordinary mix of blues, rock, funk and soul. This trio has just released their third CD (*it's getting great reviews, if you haven't already heard*) so you are sure to hear some great new tunes paired with some longstanding much-loved hits. They will be here Friday and Saturday so you have no reason to miss this act!

On to April 13, Friday the Thirteenth to be exact... disregard that old fable about the supposed *dreaded* day because we have **Trampled Underfoot** here and it will be an absolutely wonderful night! Another old adage you can throw right out the window is that "sibling rivalry" thing-- if there is any rivalry with these siblings you certainly can't tell with their impressive sound and a bond with one another that you simply can't ignore.

Middle of the month fast approaching on April 14: **Bob Dorr and The Blue Band** will be gracing our stage for the first time and man, are we excited! This outstandingly talented and entertaining group will be inducted into the Iowa Rock 'N' Roll Music Hall of Fame in September of this year. 26 amazing years is on this group's striking resumé, that said they are sure to deliver an unbeatable must-see performance while they are in town.

STUCK IN KANSAS TOUR ALERT! This just in-- we have a Monday night treat for you on April 16. It's **Terry Evans** putting on a free show for all of you wonderful blues fans.

You may want to rest up during the week (after the Mon. night show of course) so you'll have plenty of energy for another fun-filled weekend. April 20 & 21 we have yet another Iowa Blues Hall of Fame inductee-- **Sumpin' Doo**. They will be here to lay down some

smooth blues licks sure to satisfy the soul.
You'd be wise to get right on down to **Bo's** to check out this beloved little piece of history.

It's another two-nighter on April 27 & 28-- [Johnny I and the Receders](#) are back in town to party for the weekend! As always it will be a great time as this extremely talented fivesome brings you not just their fantastic originals but also some superbly executed covers sure to bring you to your feet.

Well, that's it for April. Stay tuned to get the skinny on what fabulous bands we will have for you in May at **Uncle Bo's Blues Bar!**

And remember this month if you can't be good, be careful! Cheers!
