Downtown Topeka, Inc. is pleased to announce the opening of a new business in downtown. **El Coyote Mexican Restaurant**, 1003 S. Kansas Avenue has been in operation at another location for over six before coming to downtown. In those years the restaurant has established a loyal customer list. Speedy service, affordable prices and an always smiling staff has made this restaurant a local favorite.

We hope you will join us, along with Mayor Bill Bunten, as we ceremoniously cut the ribbon announcing that **El Coyote Mexican Restaurant** is now open and ready to serve you from it's convenient central Topeka location.

Please join us in welcoming this new business to downtown!

MORE ABOUT EL COYOTE MEXICAN RESTAURANT

El Coyote is a family-run Mexican restaurant that boasts a menu full of authentic, original dishes. Owner Jose Cervantes explains that his food hails from La Laguna, a region of 1.3 million in the north of Mexico, 225 miles west of Monterrey. Different spices are used in the region than in other areas of the country. Everything at **El Coyote** is fresh and homemade.

A particular favorite item is their homemade tamales, which can be ordered by the dozen to take home and enjoy whenever you get the craving. Another favorite dish at **El Coyote** is mole which is a very authentic item made with chocolate, dried red peppers and spices. The unique combination gives the entree a different, special flavor. Combination plates and a la carte items also are available.

Jose has developed an **El Coyote Fundraising Program** that requires little hassle and great rewards for interested organizations that are looking for a way to raise money for team uniforms, upcoming trips or for a good cause. Jose also invites you to visit him every Saturday morning at the **Downtown Topeka Farmer's Market**, where he sales breakfast burritos and tamales from his booth.
