**For all
DTI Members
and their guests**

Spike has been with Cumulus since January 2001 in new business development. In July 2006, he was promoted to Regional Vice President. In January 2007 he was promoted to Senior Vice President managing 17 markets, 68 radio stations and more than 500 full and part time employees.

Spike will continue as a Senior Vice President for Cumulus with day-to-day responsibilities in the Topeka area and other corporate activities around the country. Spike was born and raised in Lawrence. His family has been living in Kansas while he has been on the road for Cumulus. This opportunity gives him the chance to spend more time closer to home. Spike brings a wealth of experience, knowledge and ideas to the Topeka market. We are so excited to have him in our market – and he looks forward to meeting our clients and listeners.
